

REMARKS

Applicant has amended claims containing errors of a typographical nature. The foregoing amendment should be entered as it does not raise any patentability issues and does not affect the disclosure of the specification or the scope of any claim. No new matter has been added.

Applicant would like the Examiner to note that in the Notice of Allowance mailed August 10, 2005, the Examiner renumbered allowed claims 1-22 and 26-35 as 1-32 respectively.

Authorization is hereby given to charge our Deposit Account No. 02-2666 for any charges that may be due. Furthermore, if an extension is required, then Applicants hereby request such an extension.

Respectfully submitted,
